Revised

TO THE HEADS OF EXECUTIVE DEPARTMENTS AND ESTABLISHMENTS

SUBJECT: Estimates and reports on international transactions

Office of Management and Budget Circular No. A-58, Revised, dated April 12, 1968, is hereby rescinded. This action is taken to simplify paperwork and reporting requirements within the executive branch; it does not reflect any change in agency systems requirements, or balance of payments policies.

Similar data reflecting the effect on the balance of payments of international transactions, and related information such as balances of foreign assets and liabilities of the Federal Government, are reported quarterly on a current basis under Circular No. A-65. Reports required under Circular No. A-65 are submitted to the Department of Commerce, with a copy to the Office of Management and Budget.
